What aspects of the course and/or Gabrielle Isgar's instructional methods have you found the most useful or valuable for learning? Please give examples.

- I really enjoyed taking Spanish online because she made our class even smaller with two different zoom meetings for two different groups of the class. This really forced us to speak more instead of hide in a bigger class. I saw myself improving everyday as I had to speak. With smaller groups, she was able to work more closely to help fix errors we were doing when speaking. Right before exams she does a review , other than the power point, and make sure we understand what we are about to get tested on.
- Ella fue muy bonita y simpática y fui alegre a venir a clase todos los dias!

- None! She taught this class very well!
- There is nothing to improve on. Her methods were excellent and she gave the class the tools to learn the spanish language. She provided a wonderful environment to learn in.
