- Gabrielle Isgar's instruction was awesome. I really felt that the activities we did in class helped me learn the content better than just doing the Connect HW. Gabrielle Isgar really helped me, as well as the entire class, fully understand the concepts we were learning. Having that face-to-face, in-class relationship allowed us to learn at our full potential. She took much care into making sure we not only learned the concepts, but made sure we were able to understand and apply them.

What aspects of the course and/or Gabrielle Isgar's instructional methods have you found the most useful or valuable for learning? Please give examples.

- She was excellent at explaining and helping with whatever we needed!
- I found that forcing us to do partner work made me actually work hard to apply what I was working. She was also super approachable and didn't make me feel stupid for asking questions.
- Professor Isgar does a phenomenal job of making her students feel comfortable. In Spanish 1, i struggled a great deal with getting myself confident to even speak 1 phrase. after this semester, I have found myself speaking Spanish at home. It is an incredible feeling knowing that your professor believes in you, and does everything to help you be a better student.
- The guias were very helpful when using them to review for exams. I liked how they combined all the vocab we needed to know into one place.

What aspects of the course and/or Gabrielle Isgar's instructional methods could be improved that would enhance your learning? Please give examples.

Please list additional comments and/or suggestions.

- this is the only review that I have written, and its because I wanted to express how great this professor was. She made the class fun, insightful, and most importantly comfortable. Professor Isgar is a master of her craft and I wouldn't recommend another professor for Spanish classes at Florida state.
